Press the shopping basket sign to enter it. Before placing the order, you can change a few things. Please control if the amount of the requested articles is correct. If not, the number can still be changed. The Comm/Text helps you to allocate the product on the invoice. In case it is a special customer order, your employee will be able to directly recognise it and supply it to the right person. For that reason please add the customer's name. The data will directly appear on the invoice respectively on the delivery note.
